

ReCapturit Is Your Resource!

We are building an online conduit
for information, education and inspiration.
Amplifying the flow of recaptured building
materials into new construction and new uses.

You Can Help. You Can Benefit.

Are you a provider of salvaged building materials?

Are you a salvage store owner or manager, a
builder, picker, contractor, remodeler, handyman,
building demolition worker, collector,
antique dealer, or somebody who just loves
collecting, finding or selling this stuff?

Are you a building owner, architect, builder,
homeowner, contractor, developer, realtor, flipper,
landscaper, interior designer, or just someone
who thinks we should reuse more stuff?
